

Registration Form— The Chicago Silver Blaze

The Chicago Silver Blaze is the oldest still active Sherlockian horse race in the world. It is named after one of the most famous Sherlock Holmes stories: “Silver Blaze.” Silver Blaze is a championship horse and, for many of us, the hero of the story. This year is the 56th running of the race. Here’s all you need to know to sign up, have a great time and, hopefully, win lots of money!

We’ll be in the Citation Suite directly overlooking the finish line. Since suite capacity is limited, please sign up as soon as possible.
